For CAQ/Study Permit – to whom it may concern,

I am writing this letter in support of the application of **Mr. Seyed Alireza Zahedi** (Student ID: 261096765 and DoB: 2000-28-07) for renewing his Québec Acceptance Certificate (CAQ)/Study Permit. Mr. Seye Alireza Zahedi is a full-time Master of Science student in Experimental Surgery at the Department of Medicine of McGill University, Montreal, Quebec. He is pursuing his research in surgical robotics. I have Alireza for about two years, as the professor of his course and the supervisor of his research. He started his studies in Fall, 2022 and it is expected that he will graduate on August 31st, 2025. I hope that you will favorably consider his application of renewing his permit until August 31st, 2025. In addition, I continue to support his studies by covering his enrollment and tuition fees (international or Quebec rate) AND providing a stipend of \$22,500 (Per year) for his master research.

Please do not hesitate to contact me, should you require further information.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Cecere".
